NOTES AND ORDERS.

NOTES—First Sheet.

Bangalore,

19th May 1928

You know that there are two permanent vacancies in the grade of Surgeons and I would like this opportunity to be taken to effect a reorganization of the Medical cadre. You know that the present system is not working satisfactorily, and good, bad and indifferent men are getting indiscriminately into the higher grades and that considerable difficulty is experienced in filling up the higher appointments in the premier hospitals of Bangalore and Mysore. My idea is that appointments which requires special skill, expert knowledge &c., such as those of the Superintendents of Victoria, Krishnarajendra and Ophthalmic Hospitals, the Surgeons to be attached to these hospitals for treatment of special diseases such as throat or ear, the Superintendent of the Lunatic Asylem or the Mental disease hospital, should be placed in a special cadre carrying a pay of say Rs.500-1000. There need not then be any classes amongst the officers on this grade - all being placed on a footing of equality just as the Professors of the University are. The

recruitment to these posts should be from amongst the Assistant Surgeons of proved ability and character, and possessing the special qualifications required for the post that might become vacant. For example, if it is a surgeoncy of the Eye Hospital that has fallen vacant, then the Assistant Surgeon who has specialised himself in that subject should be appointed irrespective of his rank in the general cadre; for a Surgeoncy for ear, nose and throat an Assistant Surgeons specially qualified for that appointment should be appointed. If no local man is available, then we can easily import a foreigner and offer him the grade of Rs. 500-1000 and put him in that grade. At present the lowest pay of a Surgeon is Rs. 400 and very few foreigner men of any repute will enter our service on such low pay. We can induce them to accept our service only by offering them a higher pay, say Rs. 800 in the grade of Rs. 500 to 1000 without causing hardship to any one in the Surgeons' Grade.

As regards the Assistant Surgeons, we may abolish the two classes and regulate the pay on a time-scale up to Rs. 400. A few appointments in a separate cadre of District

Medical Officers or Senior Assistant Surgeons, with a pay not exceeding Rs. 600, may be reserved for Senior Assistant Surgeons who cannot be promoted to Surgeons grade in any of the premier hospitals. The minimum pay of an Assistant Surgeon may be fixed at Rs. 150.

I have discussed this Scheme with you on a previous occasion and you were not opposed to it. If you approve of the main idea, you can work up the ~~whole scheme~~ details. The idea that each District should be in charge of a Surgeon has not worked well and there is no use of persisting in it, since we cannot place these hospitals on the same level of efficiency as the premier hospitals. If you have any other scheme in view, you may freely discuss it with me. What I want is that before the end of this year, we should be able to place before the Government a fairly satisfactory scheme which will do away with the anomolies and drawbacks which have come to our notice in the working of the present scheme. The present surgeons may be placed in the new grade of Rs. 500-1000 and they may be given suitable starting pay in that grade so as ~~to~~ not to affect their present emoluments. But in

framing our scheme care should be taken to see that the total cost does not exceed the present budget allotment. This is an essential condition of the acceptance of any new scheme of reorganisation by the Government.

I hope you will prepare a scheme at a very early date and bring it with you to Mysore during the Birthday week. I shall feel much obliged if in the meantime, you favour me with your general views in the matter.

Yours sincerely,

MC

Office of the Senior Surgeon,

D.O.No. G-C.349-2 Dated Bangalore, the 3rd June 1922

Dear Sir,

I have carefully considered the question of reorganisation of the Medical Department on the lines suggested in your D.O. letter of the 20th May 1922.

As has already been brought to the notice of Government, the scale of pay of Surgeons in Madras has been raised to Rs.500-50-900 with selection appointments (25 % of the total number) on Rs.1000/- and that of Assistant Surgeons to Rs.200-15-350-20-450, increments being annual in all cases. This has created a certain amount of discontent among the officers of the local Medical Service. I would therefore be only too glad to avail myself of any opportunity for the betterment of the prospects of our medical officers.

The minimum requirements of our premier medical institutions in respect of officers with special capacity or professional knowledge may be put down at-

Victoria Hospital.
1. Medical Officer in charge (who may also be the Surgeon).
2. Physician
3. Throat, Nose and Ear Specialist.
4. Dental Surgeon

Minto Ophthalmic Hospital.
5. Superintendent.

Mental Diseases Hospital
6. Superintendent.

Krishnarajendra Hospital.
7. Medical Officer in charge
8. Physician.
9. Throat, Nose and Ear Specialist
10. Specialist Eye Department
11. Dental Surgeon.

The average of a scale Rs.500-50-1000, for purposes of calculation is Rs.805 5/9 and the cost of 11 officers of that scale will be Rs.8861 1/9 .

The cost of the 14 Surgeoncies according to the present rates of pay comes to Rs.7905, as shown below:-

Surgeon I class	1 (Rs.800-50-900)			Rs.886-2/3
Surgeons II class	2 (Rs.700-50-800)			1573-1/3
Surgeons III class	3 (Rs.550-25-700)	(average 648 1/3)		1945
Surgeons IV class	2 (Rs.500)	---	---	1000
Surgeons V class	2 (Rs.450)	---	---	900
Surgeons VI class	4 (Rs.400)	---	---	1600
			Total Rs.	7905

Provision will have to be made for the medical charge of the eight districts and for the Kolar Gold Fields. These nine officers, whether they are to be called as Junior Surgeons or Senior Assistant Surgeons, will have to be given a scale 400-25-600 the average of which comes to Rs.526 2/3 and the cost of nine officers will come to Rs.4740.

The number of Assistant Surgeons does not admit of any reduction. For instance, the two premier institutions must have, as at present, a Resident Medical Officer, an Assistant Surgeon for the Medical Wards, an Assistant Surgeon for the Surgical Wards, a Lady Assistant Surgeon for the Female side and an Assistant Surgeon for the clinical laboratory, or 5 Assistant Surgeons. Similarly, the Resident Assistant Surgeons of the six District Head Quarter Hospitals, and the Assistant Surgeons for the other important charges as defined in the re-organisation order of July 1918 will have to be provided for, that is to say, the number of Assistant Surgeons will remain at 36 and the cost, by adopting a scale of Rs.150-20-390 (or an average of Rs.291-1/3) comes to Rs.10,488.

Under the existing scale the cost is 16 first grade Assistant Surgeons on Rs.200-20-360 (average 301-1/3) or Rs.4821-1/3 and twenty 2nd grade -Rs.120-10-200 (average 176) Rs.3520

Total Rs.8341-1/3

Thus the cost of the proposed scheme works out to

11	Surgeons of class 500-50-1000 --- ---	Rs. 8861-1/9
9	Junior Surgeons on Rs.400-25-600	Rs. 4740
36	Assistant Surgeons on Rs.150-15-390	Rs.10488
56		
	Total ---	Rs.24089-1/9

Against the existing scheme

14	Surgeons --- ---	Rs. 7905	
16 First Grade) 20 Second grade)	Assist.Sgns.	8341-1/3	
9	Medical Graduates (80-5-100) (average 94-2/3)	852	Rs.17098-1/3
59			
	Difference		Rs. 6990-7/9

The extra cost will therefore be Rs.6990-7/9 a month or Rs.83,889-1/3 a year. In the present financial distress extra expenditure is out of the question. The question of improving the prospects of medical officers, however urgent and desirable it may be, will therefore have to

be

be put off for some years.

In the meanwhile we have only to depend on the safeguard provided in (i)(a), of G.O.No.G.679-80-Med.69-16-4, dated 13th July 1918, quoted in the margin* and prevent, as far as possible, indifferent or bad men getting into the Surgeons' grade. As for those who have already got into the grade, there is no help till they retire, which will be in the course of the next three or four years. By that time we hope to secure a sufficient number of efficient officers among the younger men. Two of our men are already undergoing training in London (for F.R.C.S. and M.R.C.P.) and if we depute annually two men at least to England to obtain higher medical degrees, during the next two or three years, we would secure the services of suitable men of superior qualifications for the premier hospitals, at a less cost. Even by raising the scale of pay of Surgeons to Rs.500-50-1000, it is not likely that any decent Specialist worth the name will seek service here on that pay. As instances I may refer to the cases of Dr.(Miss) Watts and Dr.Gabriel, who declined to accept service on a pay, respectively, of Rs.800 and Rs.600-50-900.

* "Promotion to and in the grade of Surgeons will be by selection and according to merit."

There is, no doubt, some discontent among the medical officers in the department and consequent abatement of enthusiasm. But it is entirely due to their being kept out of the promotions legitimately due to them and is bound to disappear as soon as those promotions are sanctioned, for which I request that very early permission may kindly be granted to me to submit proposals, as already requested by me more than once.

Yours sincerely,

J.B. Donoghue

15 The Senior Surgeon's proposal to treat the two officers retrenched from the Public Health Department as supernumeraries till they are absorbed in future vacancies is in contravention of the orders conveyed in paragraph 9 of the Sanitary Department Retrenchment Order of 26th June 1922 in which he was requested to submit proposals for the absorption of the two officers in the Medical Department apparently in connection with the existing vacancies. Whether the proposal could be allowed to stand is a point for consideration.

16 The next point in the proposals put forward which requires consideration is the one relating to the supersession of Mr. Noronha who is now on deputation in England. The principle enunciated, namely, depriving an officer of the promotion already granted to him on the ground of his failure in an examination appears to be a novel one. In a demi-official letter dated 9th January 1922 to the then 2nd Member of Council, the Senior Surgeon stated that Mr. Noronha had failed in the 2nd part of the examination for Diploma in Mental Diseases and recommended a Loan Scholarship to him to enable him to complete his examination

by about June 1922. Even granting that Mr. Noronha had failed again, it is difficult to see how far it would be just to deprive him of a promotion already granted. But as a matter of fact, it is seen from a cablegram which appeared in a recent issue of the Madras Mail (15th July 1922) of which an extract is put up in the margin that a Diploma in Psychological Medicine has been conferred on Mr. Noronha by the Royal College of Physicians and Surgeons and also that a Diploma in Dentistry has been conferred on Mr. V. Monteiro. In the light of these facts, it would be scarcely fair to take away from Mr. Noronha the Surgeoncy granted to him with effect from 29th October 1920. It might be interesting to know the authority on which the Senior Surgeon has based his assumption about Mr. Noronha's failure a second time

17. The last point requiring consideration is how far the grounds urged for the supersession of Mr. Krishna Murti Rao are tenable. All that the Senior Surgeon says against him is —

that the Dy. Commr considered his work as unsatisfactory and that he delayed publishing a Tender Notice in the Gazette. What explanation, if any, was offered for the delay and how far it was acceptable has not been mentioned.

Some further reference to the Senior Surgeon appears desirable on some or all of the points urged above before consulting the Comptroller and the Financial Secretary

√ (Rev. Secy.) Dcs 18/7/22

Para 2 of P.O.D. 1 The Senior Surgeon's proposal re the Balabantha does not call for sanction in view of his subsequent resignation. It may be noted the penalty due from him should be separately recovered.

Para 3 of P.O.D. There is no justification to go behind Mr F. Noronha's promotion in the manner proposed by the S.S.

Para 5 of P.O.D. 2 Mr F. Noronha need not be considered in respect of promotion higher than the 6th class Surgeon as he is on deputation & the S.S. may suggest seniority promotions for the vacancies referred to in this para

Para warning (vide flags B). No other charges against him are on account to nothing. The grounds urged by the S.S. for promoting Mr Ranjindiah over the head of Mr Krishnamurthi Rao are hardly adequate. There appears to be far too much special pleading for Mr Ranjindaiah & too much unjustified Condemnation of Mr Krishnamurthi Rao in these two paragraphs.

Para 1 of P.L.D. 23 The S.S.'s arguments are not convincing. There are now 2 vacancies in the 1st grade of Asst Surgeons & 3 vacancies in the grade of Surgeons. After promotions to the grade of Surgeons is sanctd, there will be 5 vacancies in the 1st grade of Asst Surgeons. For these 5 vacancies, there are only 2 Asst-Surgeons (2nd grade) who have reached the maximum. Even after Messrs Parthasarathy & Fernandez (who were both once in the Medl Dept & finally get back there now) are promoted,

51 I agree with the views of Mr. Ramanathan generally as expressed in his note of the 18th July.

52 The questions which are raised by the letter of the Senior Surgeon dated 7/10th July are as follows:-

(1) The absorption of Mr. Fernandez and Mr.Partha sarathi, Officers of the Health Department into the Medical Department and the allocation of their places in the Medical cadre.

(2) Modification of the Notification of 22nd June 1921 appointing Mr. Norohna as Officiating Surgeon last grade and his reversion to Assistant Surgeon's grade.

(3) Supersession of Mr. B.Krishnamurthi Rao by Mr. N.S.Nanjundiah.

53 As regards (1), the Senior Surgeon proposes that Mr. Fernandez and Mr. Parthasathi may be kept on as Supernumeraries in the Medical Department. He says that the Medical Graduates are expecting promotions to the Assistant Surgeons' grade and the absorption of the officers mentioned above in the regular cadre will deprive the Medical Graduates of their chance of preferment and will make them discontented. There is much force in the argument of the Senior Surgeon and if it is possible to reconsider the orders already passed and keep these officers as supernumeraries, I would support the -

Senior Sugeon's proposal. If the Dewan approves of this proposal, I would like to have Mr.Parthasarathi in the Public Health Institute as that Institution requires strengthening on account of the extra work that may be thrown upon it by the introduction of the Food Adulteration Regulation into the State.

4 As regards their allocation, the Senior Surgeon proposes to appoint Mr. Fernandez as Assistant Surgeon 1st grade. He was senior to Mr. B. Nanjappa in the Medical Department. But the Senior Surgeon does not propose to give him the Surgeon's grade to which he has recommended Mr. B. Nanjappa as Mr. Fernandez has long been out of touch with the Medical Department and the surgical work. This no doubt will be hard upon Mr. Fernandez, but it cannot be helped. Similarly he wants to give Mr. Parthasarathi the place which he would have had in the Medical Department had he not been transferred to the Sanitary Department, the difference between the present pay of Mr. Parthasarathi (Rs.21$) and the pay proper he would get as an Assistant Surgeon 2nd grade (Rs.160) being treated as personal allowance. The proposal is all right and will have to be approved if the proposal to keep him on in the Public Health Institute is not approved by the Dewan.

5 As regards 2, Mr. Norohna was recommended by the

late Dr. Nanjappa for promotion to the Surgeon's grade and the arguments of the Senior Surgeon to revert him to the Assistant Surgeon's grade loses all its weight since Mr. Norohna has passed the examination in Mental diseases and taken the diploma.

56 As regards (3), the Senior Surgeon has indulged in special pleading on behalf of Mr. N.S.Nanjundia and in doing so has used some unparlimentary expressions in his letter. This officer is the one who has been recently brought to Bangalore as R.M.O. Minto Hospital in connection with the transfer of Mr. B.K.Narain Rao from Mysore to Shimoga. But I do not think there is sufficient justification for the supersession by this office of Mr. B.Krishnamurthi Rao. However the question does not arise now since it is not contemplated to revert Mr. Norohna.

57 Please submit to the Dewan, ~~for approval of the Draft letter~~ put up.

58 Since writing the above a communication has been received from the Resident stating that a fee of Rs 30 will be charged for every case placed before the Imperial Board of Experts. Mr Partha Sarthi has received training in this art in England and his absence in the P.H. institute, even though necessary for a while, may have to be dispensed with.

66) Promotions admissible on the basis indicated in the above Council Note have been worked out and a typed statement of the same is put up below. Attention is invited to the following points :—

1) As Govt. have ordered while promoting Miss Jhirad to a special grade in October last that the expenditure involved should be met by the abolition of the posts of one Assistant Surgeon and two Sub Assistant Surgeons. one of the posts of 2nd grade Assistant Surgeons made available by the resignation of Mr. J. C. Noronha is proposed to be left unfilled.

2) Medical Graduates are proposed for promotion to the IInd grade of Assistant Surgeons even while they are yet on probation as there appears to be no objection to such a course.

3) Two out of the three IInd grade Assistant Surgeons shown as temporary in the Civil List are proposed to be provided with permanent places in the said grade, and their temporary places being given to Medical Graduates.

DEWAN'S OFFICE.
Recd. on OCT 16 1922
Reg. No. 2279

Submitted for information.

It is apprehended that as a result of the amalgamation of Medical and Sanitary Departments, one Sanitary Officer by name Mr. K.C.Srinivasa Reddy will be taken to the Medical Department and will be given a rank in the cadre of Assistant Surgeons, based on his present pay. This, if done, will be an act of great injustice to most of the medical officers who are still in the junior grade of service but are senior in service to the said officer, for the following reasons:-

The above said officer, after taking the L.M.S. Diploma, joined the Medical Department first on 26th August 1912 and for reasons better known to himself resigned the appointment to qualify himself for a Sanitary officer's post. After passing the B.Sc. Degree Examination, he joined the Mysore Sanitary Department in June 1914.

It is a well known fact that in all places medical men who prefer to serve in the Sanitary Department will be given higher pay in consideration of their being debarred from private practice while in service and of losing touch with the medical knowledge which may disqualify them for private practice even after retirement. In the present case, if the said officer had remained in the Medical Department, his rank and pay in the medical cadre would not have been better than that of any of those who joined service prior to him or along with him. He has now been getting a high pay in the Sanitary Department which he would not have got if he had remained in the Medical Department. Hence, it is but fair that if he is to revert to the Medical Department, naturally he should go back to his original place. Besides the fact that he selected the Sanitary Department and thus got higher pay, he does not possess any higher professional qualification.

It is therefore submitted that it will be deemed highly unjust to place him above the senior medical men who have served in the Department faithfully in spite of a series of disappointments in service. This step will create great heartburn and discontent and damp the spirits of many medical men who are already treated very unjustly by Government by means of supercessions by those who are supposed to have better qualifications because they possess some foreign University Diplomas, and also by a number of lady medical graduates of local universities whom the Government had to entertain on a much higher pay than male medical graduates, thus seriously affecting the promotionsof the latter.

Another grievance of these medical officers in service is that foreign scholarships will be preferably given to graduates of in service for unknown reasons and when these return duly qualified, they will be placed above the medical officers already in service for no fault of the latter.

Therefore, it is earnestly and respectfully prayed that Government will deal justly in the allocation of the Sanitary Officer and also graduates with foreign qualifications, who have to be taken to the Medical Department, and thus save the medical officers in service from being driven to utter despair.

Final Note by the Second Member of Council.

Subject :—

116 Proposals in connection with the filling up of existing vacancies in the grade of Surgeons and Assistant Surgeons.

In view of the retrenchments in the Sanitary Department, the question of filling up the vacancies in the grade of Surgeons a n d Assistant Surgeons was held in abeyance, in order to facilitate the absorption of Officers of the Sanitary Department that might be thrown out.

2. Under Government Order No.L. 7567-82 San.55-21-1 dated 26th June 1922 retrenching the establishment of the Sanitary Department, three Officers have been thrown out - viz., Mr. Manker, Mr. Fernandez and Mr. Parthasarathi. Mr. Manker has been retired and Mr.Parthasarathi has been kept on as an additional officer attached to the Public - Health Institute to do bacteriological work in connection with the improvement of serum and the investigation of cattle diseases. The remaining Officer Mr. Fernandez has to be provided for in the Medical Department and it is proposed to appoint him Assistant Surgeon first grade.

3. There are at present three permanent vacancies in the grade of Surgeons consequent upon (1) the death of Mr. Kuppuswami Mudaliar Surgeon, first grade, (2) the retirement of Mr. Abboy Naidu and (3) the confirmation of Dr. Mylvaganam as Senior Surgeon. In filling up these vacancies Mr. Md. Usman gets confirmed in the first grade of Surgeons and Messrs. Muthuswamy Doss and S. Subba Rao in the 2nd grade and Messrs. Noronha, Rajgopal Mudaliar, and S. Narayan Rao as Surgeons, sixth grade, whilst Mr. B. Nanjappa gets a Surgency i n

place of Mr. Asirvatham who is on long leave. Consequent promotions in the lower cadre etc., are also proposed to fill.

4. The foregoing promotions to the Surgeons grade create three permanent vacancies in the first grade of Assistant Surgeons. There is also another permanent vacancy caused by the dismissal of Mr. J. C. Noronha. In these vacancies Messrs. Deendayal Singh, B. Rajagopal Naidu and C. Narayana Rao are proposed to be confirmed, the fourth vacancy being reserved for Mr. Fernandez, Health Officer, who has to revert to the Medical Department.

5. In the second grade of Assistant Surgeons also there are four vacancies, three due to the promotion of the three officers mentioned above to the first grade and one caused by Mr. B. Ramaswamiengar having failed to join the appointment offered to him. In these vacancies Messrs. S. V. Biligiri Iyengar, Y.N.Krishnamurthi and R. Subba Rao, Medical Graduates who are already acting in this grade, will be confirmed in it. The remaining vacancy cannot be filled up as the number of Assistant Surgeons has, under paragraph 2 of Government Order No. 6775-6 C.B.155-21-8 dated 1st May 1922, to be reduced by one.

6. There are a number of acting promotions due on account of the absence on leave or deputation of several officers and these are also proposed to be filled up.

7. The promotions have all been given in the order of seniority and involve no supersessions whatsoever.

8. The matter was discussed several times in the Council in connection with certain questions raised by the Senior Surgeon and the absorption of the thrown-out officers of the Sanitary Department in the Medical line. It was resolved at one time to retain Mr. Fernandez in the Sanitary Department and transfer Mr. Paidpet, Health Officer of the Bangalore City, to the Medical Department. This idea had to b e

given up as a large number of Municipal Commissioners petitioned the Government to retain Mr. Paidpet as Health Officer and not to transfer Mr. Fernandez to the Bangalore Municipality where he had worked for some years before his transfer to Chickmagalur.

9. The list of appointments and promotions was circulated to the Dewan and the Members of Council and they have all agreed to the same. It is herewith submitted for the gracious approval of His Highness.

From

Dr. T.H.E. [illegible], F.R.C.S.,

Senior Surgeon with the Government of Mysore,

Bangalore.

JUL 1923

To

The Secretary to the Government of Mysore,

Revenue Department, Bangalore.

Sir,

With reference to paragraph 2 of your letter No.L.75 Misc., dated 24th June 1923, I have the honor to submit that the restriction therein imposed has the effect of depriving the Medical Graduates in the department, for a long time to come, of the chances of promotion to the grade of Assistant Surgeons. The necessity for improving the position of these Medical Graduates was recognised by Government, vide your office letter No.L.801-Med.135-20-2, dated 8th August 1921, and subsequent correspondence which ended with my D.O. No. [illegible] dated 5th June 1922 and the men who had also submitted memorials in the matter were, till now, working with the hope that their question was under consideration. As it is, it will be difficult to get them reconciled to the circumstances that have led to an indefinite, though inevitable, postponement of the question. Such being the case, I am afraid [illegible] the effect on the efficiency of the service of an announcement that these young men are not to get even the promotions which they have been expecting all these days as their right. These vacancies have all occurred during the year 1921 and the fact that proposals for filling them up could not be submitted to Government earlier or that the Government have now found it necessary to effect certain retrenchments in the Public Health Department ought not, in fairness, to be allowed to prejudice the legitimate claims and aspirations of the officers of the Medical [illegible]

partment. I therefore earnestly solicit permission to submit complete and up-to-date proposals for filling up existing vacancies in the Medical Department by promoting men who are already in the department. It may not be out of place to further submit that these officers of the Public Health Department have been so long and so absolutely out of touch with medical and surgical work as it is not easy to find suitable places for them in [illegible], they have lost their places in the Public Health Department and it is necessary to provide for them in this department, I request that they may be treated as supernumeraries till they are absorbed in future vacancies.

2. The earliest of the vacancies included in the present proposals is a temporary one in the II Grade [illegible] arising on the absence of Mr.T. [illegible] on deputation in England (vide G.O.No.3541-4 [illegible]-20, dated 8th September 1920), with effect from 23rd September 1920, which period is to be treated as leave without allowances on account of sickness. The next promotion to Medical Graduate Mr.J.[illegible], to the II Grade of Assistant Surgeons. The arrears of the [illegible] allowance that may be due to him will not be paid to him but is liable to be adjusted towards the penalty imposed by him. (Vide. your office letter No.L.7710-[illegible], dated 23rd December 1921).

3. Among the several promotions ordered in notification No.3461-S.B.66-20, dated 22nd June 1921, is that of the Grade Assistant Surgeon Mr. F. Noronha to the rank as Surgeon, VI Class, with effect from 29th October 1920. This Officer had, however, been on deputation under G.O.No.5516-3-Med.101-19-2, dated 9th September 1919 with effect from 16th October 1920, or a fortnight before the date from which his promotion was ordered. The period of Mr. Noronha has been ordered to be treated as

privilege leave combined with special furlough (Vide G.O. No. [illegible]-7-20, dated 18th October 1920). It has therefore not been given effect to under Art.43 of the Mysore Service Regulations. But Mr. Noronha has twice failed in the Examination for [illegible] Diseases, which he had been asked to pass and has thereby proved himself to be inefficient. The period of [illegible] cannot therefore be treated as approved service. Consequently he must be passed over until such time when, after his return to India, he should show good work and establish his claim for promotion. The promotion referred to must go to the next senior in the list, viz., Mr. C. Rajagopala Mudaliar, from 29th October 1920, and the promotion given to the latter with effect from 1st December 1920 must go to Mr. C. Narayana Rao, the officer next below. The Notification of 22nd June 1921 has to be kindly modified to this extent.

4. Mr. F. Noronha thus remains in his permanent place in the 1st Grade of Assistant Surgeons. His absence on deputation admits of temporary promotions, with effect from 18th October 1920, of Mr. Deendayal Singh from the 2nd to the 1st grade of Assistant Surgeons and of Medical Graduate Mr. C.[illegible] Sesharri [illegible] Assistant Surgeon 2nd Grade. Mr. Deendayal's promotion with effect from 29-10-1920 given in the above Notification must go to Mr. S.Rajagopala Naidu, and that given to the latter with effect from 1-12-1920, to Mr. C. Narayana Rao, the officer next below. These also involve a slight modification of the Notification dated 22nd June 1921.

5. The other arrangements detailed in the statement enclosed are consequent on

G.O.No 2372-3-CB 224-20-6 dt 13th June'21.

(i) the death of Mr.T.V.Kuppaswami Mudaliar; 7-6-1921
(ii) grant of privilege leave to Mr. V.Abboy Naidu; 1-7-
(iii) retirement of the above; 1-9-1921
(iv) resignation of Mr. J.C.Noronha, 17-10-1921
(v) ditto. of Mr. C.Balakrishna, 1-11-1921
(vi) confirmation of myself as Senior Surgeon, 1-12-1921
(vii) deputation of Mr.C. Krishnaswami Rao; 26-4-1922
(viii) promotion of Mr.[illegible] as Assistant Surgeon. 6-5-1922.

In the proposals to fill up the above vacancies I have merely followed the order in which the officers now stand in the li

with ~~one~~ two exceptions of Mr. F. Noronha whom I propose to pass over for reasons already explained above, Mr. S.NarayanaRao deserves his promotion not only because he stands next ~~x x~~ ~~the first~~ below Mr. C.Rajagopal Mudaliar but also because he has been highly spoken of for the Field Service rendered by him. The next officer, Mr.B.Nanjappa has also worked very hard here. He was attached to the Head Quarter Establishment and continues to do good work as Resident Medical Officer of the Victoria Hospital. He is therefore proposed for promotion in the next chance. The third chance for promotion to the grade of Surgeons should, in the usual course, have gone to Mr. B. Venkatramanthi Rao, the next senior in the list. But his work as District Medical Officer, Chitaldrug, has not been satisfactory as represented to me by the Deputy Commissioner when he visited the District recently, and I have already proposed his transfer to a less important charge, the Krishnaraja Sagar Works, in my letter No.C.C.350, dated 3rd June 1922. The careless and indifferent way in which he conducted the examination of the students of the Physical Culture Institute Bangalore, has been before the Government. Vide C.C.No.C. 733-9-Med.16-20-6, dated 15th February 1921. Again, although he was required that the notice calling for annual tenders for hospital supplies should be published in the Gazette three months in advance of the commencement of the contract period, which is 1st January, yet he did not send the notification till the 28th December 1922, so that it was not possible to publish it before the 1st January 1922. On the whole he seems to be a careless and indifferent sort of worker. He is, therefore, proposed to be passed over by the officer next to him in the list, viz., Mr. N.S.Nanjundiah, who, however, seems to be his senior in service by two years. Mr.Nanjundiah appears to have been peculiarly unfortunate in the early part of his service. He sinned in having secured his entry in the department as a result of a direct application to Government while on probation he incurred the displeasure of his then superior, Mr.K.M. Appiah over a trivial affair and

85

was made to pay dearly for it by losing three years' hard service and five places in the list. In 1914 he availed himself of casual leave in anticipation of sanction and was punished with the loss of charge allowance for 2 months. Vide C.O.No.3170-4, G.O.119-14-4, dated 13th September 1915. With these exceptions, his work during his sixteen years' service has been, on the whole, very satisfactory and has won for him the appreciation of the public and of the Government. During the European War when there was a likelihood of a medical officer being required to replace Dr. S.Narayana Rao, Mr.Nanjundaiya was the only officer who responded, unconditionally, to a call from this office and expressed his willingness to go at 24 hours' notice. Although there was no occasion for his offer being availed of, yet the fact that he made a ready response to the call of duty deserves to be counted in his favor. Thus, Mr.Nanjundaiya, who was unfortunate in the beginning of his service has shown good work later on while Mr.Krishnamurthi Rao whose early service does not exhibit any such misfortunes has lapsed into indifference, latterly. I therefore propose to supersede him and he can have no grievance in being superseded by one who is really his senior in service by two years.

The recommendations in the other cases do not call for any explanation as they follow the order of seniority. I request the favor of very early orders of Government.

A memorial presented by Mr.K.S.Nanjundaiya is submitted herewith. But I do not think that there is any necessity for reconsidering the orders passed by Government as far back as 1913. The concession now recommended by me, if kindly sanctioned, will satisfy his case.

I have the honor to be,
Sir,
Your most obedient servant,

Senior Surgeon.

Memorial

92

From

Mr.N.S.Nanjundiah,
District Medical Officer,
Chikmagalur(On casual leave)

To

The Senior Surgeon
with the Government of H.H. the Maharaja of Mysore,
Bangalore.

Dated, camp Bangalore, 27th Feb.1928.

Sir,

I received my professional qualifications as a State Scholar and applied to the then Senior Surgeon for a place in the Medical Department in 1906. Finding that my name was not sent up to Government along with other applications I had to apply directly to Government for a place. I was appointed by Government as a Sub Assistant Surgeon, 3rd Class (temporary) on Rs.30 along with Mr.F.Noronha (Notification No.1200 dated 3-8-06 and I joined service on 10-8-06.

After a stay of about a month at the Victoria Hospital, Bangalore I was posted for duty at the District Hospital, Chikmagalur where I stayed for about 9 months. I unfortunately incurred the displeasure of the then D.M.O., Mr.Appiah on account of a shooting accident in which his nephew was involved in a police prosecution. Mr.Appiah thought that I was making the case so bad against his nephew by stating true facts about injuries on the person of a cow-boy in the usual certificate to be granted to the police in such cases. As a consequence of this misunderstanding he appears to have made some bad remarks about me in the half-yearly Confidential Report to the Senior Surgeon. The circumstances connected with the above incident were however fully known to the then Deputy Commissioner, Mr.Dalvai Devaraja Urs and other District Officers at Chikmagalur. The public of Chikmagalur however memorialised the Government to sanction the presentation of a silver cup on the eve of my transfer from Chikmagalur in recognition of my services during a severe plague epidemic there.

During

2/ During the three years (1906 to 1909) the under-mentioned officers entered the service on the dates noted against them as temporary Sub Assistant Surgeons like myself:

1. Mr.F.Noronha 9-8-06
2. Mr.F.Fernandes -10-06
3. Mr.S.Narayana Rao 4- 9-07
4. Mr.B.Krishna Moorty Rao 1?-1-09
5. Mr.K.Kuruvilla 25- 5-08
6. Mr.B.Nanjappa 21- 6-08
7. Mr.T.Balakrishna Mudaliar - 7-09.

When the question of confirmation of the temporary hands came up for consideration, the Government in their Order No.103-4-Med.76-08-9 dated 3-7-09 fixed the relative position of the officers as shown below:

1. Mr.F.Fernandes
2. Mr.S.Narayana Rao
3. Mr.B.Nanjappa

Confirmed from date of joining service

4. Mr.N.S.Nanjundia — Placed on a year's probation from 3-7-09

5. Mr.B.Krishna Moorty Rao
6. Mr.K.Kuruvilla
7. Mr.T.Balakrishna Mudaliar

Continued on temporary list.

Shortly afterwards Messrs Krishna Moorty Rao and Kuruvilla were confirmed from date of joining service while I was still on probation. I was thus superseded by five officers Nos.1,2,3,5 and 6 mentioned above, all of whom had entered service after me.

I represented my hard case to my superiors and after nearly three years in G.O.No.6538-Med.9-11-11 dated 26-9-12 my confirmation was ordered to commence on 3-7-09 which practically meant that the three years' hard work I had put in prior to 3-7-09 was to be totally ignored.

As this materially affected my chances of promotion to the higher grades I again represented my case to the then Senior Surgeon, the late Dr.Achyuta Rao who however advised me not to worry myself any more about the affair as the combination of the grades of Sub Assistant Surgeons and Assistant Surgeons into one grade of Assistant Surgeons divided into seven classes allowed all the officers then in that grade to get their promotion by efflux of time irrespective of their ranks in the

94

the list.

6) As the cadre of Medical Officers at that time offered few chances of promotion to the Surgeins' Grade and as most of us believed that we would have to I thought it best to abide by the Senior Surgeon's advice for the time being.

7) The reorganisation of the Medical Department in 1913 increased the number of Surgeoncies to 16 and as a result of certain unexpected casualities among Medical officers chances of promotion to the Surgeons' Grade have come to Mr.F.Noronha who had enetred the service only a few hours before me.

I am now given to understand that there are some vacancies in the Surgeons' Grade,but if the order in the Civil List is followed in filling up these vacancies instead of taking into consideration the length of service put in by officers,I shall have to wait till three officers (each of whom is my junior in service) get their promotion and I may have to wait for several years before I could get a Surgeon's place.

8) Hence I am compelled to submit my unfortunate case once more to the merciful consideration of the present Government.

The fact that several cases of long standing grievances of officers of various departments have been considered and redressed by the present Government,has emboldened me to place my case also before them for kind consideration.

9) I hope that it will not be considered out of place if I mention that during my service of about 16 years I have served the Government in various capacities - such as Medical Officer,Imperial Service Regiment Hospital,Medical Offocer, Mysore-Arsikere Railway Construction,Acting Resident Medical Officer,Victoria Hospital (thrice),District Medical and Sanitary Officer,Tumkur,D.M.O. Shimoga and Kadur - and have obtained the following appreciations:-

(1)

95

(1) Delhi Durbar Medal,1911

(2) Presentation of gold watch and chain by the Tumkur Public in 1920

(3) Silver plate by Shimoga Public in 1921.

I had also offered myself for Field Service in the late War but got no chance of being sent out to the Field as more medical officers were not required.

My prayer in conclusion is that in filling up the present vacancies in the Surgeons' Grade I may be graciously allowed the benefit of the hard service of the three years prior to 7-7-09 put in by me but practically denied to me all these years for no falut of mine (although all my juniors were confirmed from the date of their joining service),so far as length of service may go in determining selections for filling upt present vacancies in the Surgeons' Grade. As regards merit and good work I shall be content to leave the matter entirely in your hands.

I have the honour to be,Sir,

Your most obedient servant,

With reference to your letter No.G.(349-4 dated the 7th/10th July 1922 submitting proposals for filling up the -- temporary and permanent vacancies in the Grades of Surgeons and Assistant Surgeons in the Medical Department, I am directed to observe as follows:-

(1) Government do not consider it -- proper to overlook the claims of Dr. F. Noronha for a Surgeoncy as he is reported to have succeeded in taking a Diploma in Psychological Medicine in England.

(2) Acting promotions are admissible during the absence on deputation of the above officer as well as Mr. T. Seshacha[illegible] and Mr. C. Krishnaswamy Rao.

(3) One vacancy in the 2nd Grade of Assistant Surgeons should be kept -- unfilled as directed in Government Order No.6775/C.S.155-21-3 dated the 1st May - 1922 sanctioning a special Grade to -- Dr. Miss. Jhirad.

(4) It is not possible to treat the two officers thrown out from the Public Health Department, namely Messrs. F. Fernandez and P. Parthasarathy, as Supernumeraries in the Medical Department - till they are absorbed in future vacancies. All permanent and Acting vacancies available in the Medical Department till the date of reversion of these two officers might be filled up by granting

promotions to the existing Officers of the Department, reserving only two permanent vacancies, one in the First Grade and one in the Second Grade of Assistant Surgeons, for these two Officers from the date of their reversion.

(5) Mr. Fernandez might be given a pay of Rs.300 plus 15 Personal Allowance and placed below Mr. T. Nanjappa who would have got an Acting Surgeoncy prior to Mr. Fernandez's reversion, and his claims for a Surgeons' Grade may be taken into consideration, as suggested by you, after he gives satisfaction in his work in the Medical Department.

(6) As regards Mr. P. Parthasarathy, he may, as suggested by you, be granted a pay of Rs.150 plus 50 in the Second Grade of Assistant Surgeons and placed next below Mr. P. Rama Rao and above Mr. T. Seetha Rao in that Grade.

I am to request you to be so good as to submit revised proposals very early in the light of the above observations.

I have the honor to be,

15/8/27

FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

The Secretary to the Government of
H.H.the Maharaja of Mysore, Revenue Department,
B a n g a l o r e.

SIR,

With reference to the correspondence ending with your letter No.2880-Med.4-22, dated 12th October 1922,which was received by me on the 15th in camp at Mysore, I have the honor to enclose a statement showing the promotions proposed in filling up the existing temporary and permanent vacancies in the Gazetted ranks of medical officers. The occasions ~~xix~~ for the several promotions are noted in the remarks column of the statement. As regards the specific points ordered to be attended to in fixing the promotions, I beg to state as follows.

1. Recommendations will be separately submitted from the Sanitary Department, regarding the allocation of Messrs. Fernandes and Parthasarathi in the list of officers of that Department.

2. Regarding the absorption of Mr.M.C.Srinivas Paidpet as 1st Grade Assistant Surgeon on Rs.260, it is presumed that the decision of Government was arrived at by the fact that he is now drawing a pay of Rs.250/- as Health Officer, Bangalore City and that in drafting him in the Medical Department he could reasonably be given, ~~Rsx260~~ in the grade 200-20-360, the stage nearest his present pay, without loss to him.

...st, however, bring to the notice of Government that this ...icer, on passing his L.M.S.Examination, entered the Medical ...rtment as a 1st class Sub Assistant Surgeon on 26th August ... as per sanction of Government accorded in G.O.No.2342-3-...-12-11, dated 18th September 1912, and was placed in the ...t of Sub Assistant Surgeons below Mr.P.R.Subba Rao.(Vide ...ation list as it stood on 31st December 1912,p.50-1, copy ...osed for ready reference.) After serving for some time in ... capacity, he resigned the service of his own accord on 26 ... 1913, presumably to qualify himself for the B.S.Sc.Degree. ...quently he again took up service in Mysore as District San- ... Officer on 12th June 1914. By reason of the fact that the ... of pay of officers of the Sanitary Department happened to ...ade more favorable than that of the co-ordinate officers of ... Medical Department on the ground, among others, that they ... debarred from private practice, Mr.Paidpet got a start of ...0 and reached the stage of Rs.225 in the scale 150-15-360, ...as his seniors in the Medical Department who were content ...main in that department as Sub Assistant Surgeons, could ... obtain a start of Rs.120 in the scale 120-10-200, of the ...rade Assistant Surgeon, from 1st January 1918, as a result ...e re/organisation of this department in July 1918, and ... officers, from S.Varadiengar to P.R.Subba Rao, are still ...ng a much lower pay than Mr.Paidpet. Further, Mr.Paidpet's ...ar grade pay is only Rs.225/- and he gets his Rs.250 as a ...al case so long as he continues to be Health Officer of the ...lore City as the sanctioned pay of that particular post. ...idpet can therefore have no claim to a pay of Rs.260 in the ...al Department. In my letter No.G.C.33, dated 25th July ... (submitted in reply to ~~xxxx~~ para 9 of G.O.No.L.7567-82-San. ...-8, dated 26th June 1922, I have fully explained, in the ... of Mr.P.Parthasarathi, why he ought not to be allowed to ...sede any of the Assistant Surgeons who had stood above him ... the list during his continuance in the medical department. ...same reasons/ hold good in the case of Mr.Paidpet also, if

if he is now to be redrafted to the Medical Department. From the enclosed statement it will be seen that in filling up the vacancies that had occurred till the end of December 1921, the marginally named 2nd Grade Assistant Surgeons have got absorbed into the 1st Grade, the first four permanently and the last in an officiating vacancy which also is likely to become permanent. It will not be fair to Mr.P.N.Subba Rao (who is senior to Mr.Paidpet in service) to revert him to the 2nd Grade in order to make room for the latter in the 1st Grade. At the same time I do not propose that Mr.Paidpet's reversion to the Medical Department should work as an undue hardship on him, particularly as this reversion is not of his own seeking. He may be allowed to retain his grade pay as District Sanitary Officer, viz., Rs.225 and his annual increments of Rs.15, and placed in the 1st Grade Assistant Surgeons as a supernumerary, and absorbed in the regular strength of that grade on the occurrence of the first vacancy after the confirmation of Mr.P-N-Subba Rao in that Grade. To obviate undue cost on this account, I would propose to keep unfilled two or three of the vacancies existing in the cadre of Medical Graduates. If there should be any objection to treat Mr Paidpet's case as a special one and place him in the list of 1st Grade Assistant Surgeons ~~xx x xxxxxxxxxxxx~~ with his Sanitary Department scale of pay as above suggested, he may be given a pay of Rs.200 and a personal allowance of Rs.50 to make up his present pay, the personal allowance being ~~xbxxr~~ absorbed by the increments which he will get in that grade, subject to the proviso that he will continue as Supernumerary till Mr.Subba Rao gets confirmed and that he is not allowed to supersede the latter.

1.C.Dyendayalsingh,
2.B.Rajgopal Naidu,
3.C.Narayana Rao,
4.K.V.Gundopanth,
5.P.N.Subba Rao.

Points Nos.3 to 6 have been duly attended to.

I have the honor to be,
Sir,
Your most obedient servant,

L/o.Bobbyhitzandee
